Total		14,217.773m	Nil

In November, subject to market conditions, SAFA will issue up to AUD750 million of the April 2025 Select Line. The exact timing and mechanism is yet to be determined but SAFA will communicate this with the panel.

To date, SAFA has not accessed term markets to raise any of its projected AUD2.1 billion 2015-16 term financing program.

SAFA's updated AUD Information Memorandum has now been posted to the website. It can be found [here](#).
