

“ We all play an integral role in the overall management of the State’s finances and risks, harnessing economies of scale and relevant expertise to provide a range of treasury, insurance and fleet services to our public sector clients ”

Andrew Blaskett

General Manager, South Australian Government Financing Authority

Our Mission

To deliver quality, cost effective financial, insurance and fleet management services to our clients within the South Australian public sector.

Our Values

Sustainability

We work to get the best results for current and future generations of South Australians.

Courage & Tenacity

We never give up.

Honesty & Integrity

We act truthfully, consistently and fairly.

Collaboration & Engagement

We create solutions together.

Respect

We value every individual.

Trust

We have confidence in the ability of others.

Professionalism

We strive for excellence.

Service

We proudly serve the community and Government of South Australia.

Our Strategic Priorities

- › Maintain and enhance SAFA's access to financial and insurance markets.
- › Provide treasury products and services to internal and external clients.
- › Provide centralised across government insurance claims and risk management services.
- › Lead the vehicle related carbon neutrality goals of the government.
- › Be recognised as a key valued service provider by providing excellent, accurate, evidence-based commercial and financial advice.
- › Ensure SAFA has a technology platform that improves the client experience and supports business outcomes.
- › Enhance SAFA's culture to deliver a great workplace for staff.
